Board of Directors Meeting Minutes

November 14, 2024

Members in Attendance: Courtney Miller, Kelly Ann Clark, Jamie Boudreau, Jeremy Knight, Maria Geske, Amy Hill, Jeremy Jacobs, Charissa Felgemacher, Emily Rassam, Krystle Frey, Lynn S., Amber Gelner

- Meeting began at 8:45 with prayer
- Courtney Miller went over Financials (Fundraisers - Dominos \$1090, Scholastic Book Fair \$1190.56)
- Domino's "slice the price" fundraiser was a huge success; profiting \$1,090 from selling 109 cards. Discussion of beginning this fundraiser earlier in the year as we compete with other schools providing the same fundraiser. Domino's gave us 15 cards that we are able to sell at \$20 each and are able to keep all the profit.
- **Friday November 22, 2024** St Paul's Feast and Sing as well as Open House from 10:00 a.m. to 11:45. So far 2 food trucks are lined up, Hibachi Express and Kona Ice.
- **Poinsettia sales are scheduled to end on Friday, the 15th.** This year's sales are currently lower than last year, likely because Redeemer is also holding their sale during the same period. We are considering extending our sale by a few days to boost participation.
- Jeremy Knight discussed Christmas tree sales → 20 Christmas trees were purchased in the presales, Christmas trees are going to be delivered next week to Compassionate United Methodist Church and a storefront will open next Saturday. (Looking for Volunteers for this event) 200 trees were ordered for this fundraiser.
- **Parents night out will be Friday December 13, 2024 from 5:00 to 8:00.** A sign up Geniuslink will be posted on the school website beginning next week. Drop off will be on the playground and pick up will be at Fellowship Hall - kids will play, eat pizza, watch a movie and do crafts.
- Handbook revisions → voting will occur at the December meeting so it will be ready for registration. If you have any revisions you would like to see voted on please email them to Courtney at director@spocala.org
- Next board of directors meeting will occur Thursday December 12th 8:45 AM. The Finance Committee needs to stay after for a brief meeting to talk about tuition fees for the 25-26 school year.
- Meeting ended 9:10 a.m.
