

## Welcome Butterflies and Families!

Hi! I'm Ms. Kimmy and I will be your child's teacher for the 2024-2025 school year. My own children attended St. Paul's, and I loved it so much that I decided to stay once my children graduated preschool. This is my 3<sup>rd</sup> year here and I love that I get to spend my time with some sweet 3-year-olds!

We are going to learn so many new and exciting things this year! I believe the best way to learn is through play and we are going to do just that! We will sing songs, read books, play in the sand, paint beautiful pictures, have science experiments.... plus much, much more! Smiles and laughter will fill our room!

I do understand that the first few weeks will be a time of transition. However, with your cooperation I know it will be a smooth one. Please prepare your child for a quick goodbye at the door and reassure him/her that you will be back in just a few hours. It is very important for your child to arrive promptly at 8:30 a.m. and for you to take them to the restroom before bringing them to class. We have many fun activities we will be doing; therefore, we plan on starting each day right away. We ask that you wait outside our door in the mornings and at pick up until the bell rings and we open the door to greet you.

We will have a mid-morning snack each day; so please make sure you pack a lunch box with a healthy snack and drink for your child. Please send your child every day with a leakproof water bottle. Even on pizza days please send in a snack and drink as some of them may want more to eat or just something out of their lunchbox.

As we are trying to encourage your child to be more independent even when going to the bathroom, we recommend sending them in outfits that they can easily maneuver themselves. Please avoid pants or shorts that are hard for them to button or unbutton. Also, make your child wears closed toed shoes that they can run and play in.

Once again, I look forward to meeting you and your child! If you have any questions, please feel free to call or text me at 352.203.8104.

Meet your Teacher day is Friday, August 16<sup>th</sup>.

Please come visit me between 9:00 – 10:30 a.m. in room 9

Please bring your child's supplies with you on Meet the Teacher day.

Enjoy the rest of your summer and I will see you in August!

Your Teacher,

 Ms. Kimmy
