

WE WOULD LOVE YOUR USED OR NEW SHOES!

Thank you so much for a great start! So far, the SPCS community has donated **300** pairs of shoes! We are on track to reach our goal of collecting 1,000 pairs by March 10th.

The fun part about doing a shoe drive fundraiser is getting friends and family involved! As an extra incentive to continue the momentum of the shoe drive, we are challenging each student to “shoe us the love” for Valentine’s Day. Between **Feb.1st-Feb.17th**, each student is challenged to collect **10** pairs of shoes from neighbors, friends, teammates, and family members.

Collect the shoes, turn in the attached Fundraiser sheet to your teacher, drop the shoes off in the basket outside your classroom or front office, and be entered to win a \$100 Amazon gift card. (every 5 pairs of shoes=1 entry)*.

Every donated pair turns into funds for SPCS, keeps shoes out of landfills and helps micro-entrepreneurs around the world!

*Promotion applies to all shoes donated between Feb. 1st-Feb. 17th. Drawing to be held on Feb. 21st.
