

Welcome Ladybugs

Welcome back to school! I am so excited to begin a brand-new year of learning, laughter, and growing together with your wonderful children. My name is Mrs. April, and I will be your child's Pre-K3 teacher along with my assistant Mrs. Jo. I can't wait to meet each of you and start this exciting journey!

In our classroom, your child will explore, play, create, and build the early skills that will set the foundation for a lifetime of learning. From story time and songs to hands-on activities and imaginative play, we will have so much fun learning and discovering together each day.

The first few weeks of school will focus on helping your child feel safe, happy, and confident in their new environment. We'll spend time getting to know one another, building routines, and learning how to be kind friends and great helpers.

I know that starting school is a big step-especially for our youngest learners. For some of our friends this may be their very first time in a school setting, and that can bring a mix of emotions for both children and parents. Please know that Mrs. Jo and I are here to help your child feel safe, loved, and comfortable as they adjust to their new routine. One simple way to help your child with separation is to give them a big hug and kiss at the door, remind them that you'll be back soon, and send them off with a smile. We'll take things one step at a time, and I'll be here to support you and your little one throughout this exciting journey.

We have a mid-morning snack each day. Please pack a small snack with one or two healthy items and a refillable spill proof water bottle each day. Don't forget utensils and napkins if needed. All lunchboxes and water bottles need to have your child's first and last name on them.

I have enclosed an information sheet for you to fill out about your child. I like to know a little bit about each child before they come on the first day. I also included a supply list. Please bring your information sheet and all the supplies to Meet the Teacher day.
