

# WELCOME to the SPROUTS!

My name is KellyAnn Clark and I will be your child's teacher for the 2022 - 2023 school year. I have 3 boys—Jaxon (6), Beau (4), and Lucas (almost 2). Jaxon attended St. Paul's from age 2 through VPK, and he is now in 1st grade. My other 2 will be here this fall! I've nannied/babysat from a very young age until I had my own children and have served in the 2 year old class in church nursery for over 10 years. I taught middle/high school math before staying home with my boys the last 6 years and have substituted all ages (preschool through high school seniors). I'm so excited to be teaching at St. Paul's this year and look forward to being a part of your sweet child's preschool experience.

My vision of a preschool experience includes lots of play and love for the two year olds. We will play in sand, dirt, water, and shaving cream. We will paint and make things with play dough. We will read books and sing songs everyday!

I realize that for most of the children this will be their first experience at school or away from family members. Yes, there will be tears (from them and you), but they will pass. Some may take longer than others, and that's okay. We will work together to make the transition as smooth as possible. One way to help with the transition is to say goodbye at the door and let them come in alone at 8:30am. If they are upset and clingy, you may hand them to me. You are always welcome to text me to make sure they calmed down.

We will have snack each day, so please pack a small lunch box and include a water bottle. (Something simple like goldfish or fruit is perfect.)

I like to know a little bit about each child before they come on the first day. Please click the link [here](#) or print off the following page and fill out! I also have included a supply list. Please bring supplies on "Meet the Teacher" on August 16 (8:30–Noon), or during the first weeks of school. You may chose your "Meet the Teacher" time on the fillable "Getting to Know Your Sprout" form, or you may text/e-mail me a time that works best. These will be in 20 minute increments to allow all students to individually meet me and personally address any questions or concerns you have!

If you have any questions or concerns, please call, send me a text or email.
